

# THE BOOK-IT CLUB at OCR

October 1, 2009

Dear OCR Families:

We invite you and your child to join The Book-it Club at OCR. This is a six month program which starts in October and ends in March. It's a simple program which works alongside the expectations of our teachers and the curriculum to read every night.

For grades **Kindergarten through 2nd grade** your child has to read or be read to for a total of 15 books a month. For **3rd through 5th grade** your child has to read 200 pages a month.

Read to them in Spanish, Mandarin, Hindi, Italian, Polish... all that matters is that your child is reading and you are reading to your child.

- Each month you will receive a new Book-it Log.
- Each night you and/or your child records the books that were read.
- At the end of the month return the log to school with your child no later than the first of the month. (i.e. October's log is due Monday, November 2, 2009).
- If your child participates all six months she/he will be awarded with an ice cream party at the end of the program.
- As an additional incentive your child will be invited during school hours to attend a Special Assembly two or three times within the six month program.

On behalf of the PTA, Mr. Lubrano and the teachers at OCR, we look forward to 100% participation. We hope we can count on you to help us reach our goal. Enjoy the challenge!
